ACT.2

The Scariest (!) School Guardian

And underneath that, there's also a boy who possesses a seriously twisted and wicked heart.

The courtyard building sits at the edge of the school grounds.

I never get tired of this. No matter how many times I see this.

There's no reason.

Oh!

I wait for peace in earth and goodwill to all.

Goodbye, life.

A falling star. Now I have to make a wish.

WOW, WOULD IT
BE NICE IF
THAT GIRL
CAME HERE

But his
face looks
familiar.

I PROBABLY
KNOWED HER
WHEN SHE
WAS A PRE-AD
TEENAGER.

IT SEEMS QUITE
STRANGE I
WAS IN THE
CLUBHOUSE
LIKE A MONTH...

AND I STILL
DON'T SEE
ANY FRIENDS
IN CLUB.

IT'S BEEN
A WEEK
SINCE I
THOUGHT
I COULD
GO BACK
TO PRE-AD
HIGH SCHOOL.

1000

**THE
NEW YORK
LIBRARY**

HE LOOKS
LIKE HE'S
GOING TO SLAY
THE MONSTERS...

MY HEART
STOPPED
BEAT IN
CLASH AND
HURT AND
PAIN
AND I
THOUGHT

OH DEAR...

NOW!

Local Scenery

The overgrown trees that block out the sky let the sunlight filter through to the little path on sunny days, and provide a sense of relief from the heat even during the hottest midsummer days. I was overjoyed to find such a wonderful place in the middle of a city in which nature has almost entirely disappeared. However, recently the tree that appears in the upper left of the sketch below with cut down. They might build something there. It's someone else's property though, so I couldn't too tell.
